

Dear Student/Parent,

As a result of the funeral for the Queen taking place on Monday 19th September (Monday next week), we will be cancelling all the classes that evening. Chalfont classes will resume as normal from the week after, so as from and including Monday 26th September.

Please kindly make up your missed session by attending one of Shihan's local clubs. I have attached herewith the timesheet for your easy reference.

For those grading, as next Monday would have been your deadline to submit applications, please can you ensure you bring your application form and fee in with you to today's class so that I can ensure your application is submitted and processed in time.

Many thanks in advance and Kind Regards.
